February 26, 2019

Dear Plumbers & Pipefitters Local Union No. 630 Welfare Trust Fund Medicare Retiree or Spouse,

It has been brought to our attention there has been some confusion on whom to call since we moved our prescription drug program from CVS Caremark to Humana.

**Labor First** is your advocate to help with any issues that you may have pertaining to your prescription drug coverage. They should always be your first call.

Below you will find a sticker to place on the **back** of your Humana Prescription Drug card that you received for the 2019 plan year. This sticker includes your dedicated **Labor First** Member Advocate Phone Line.

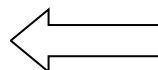

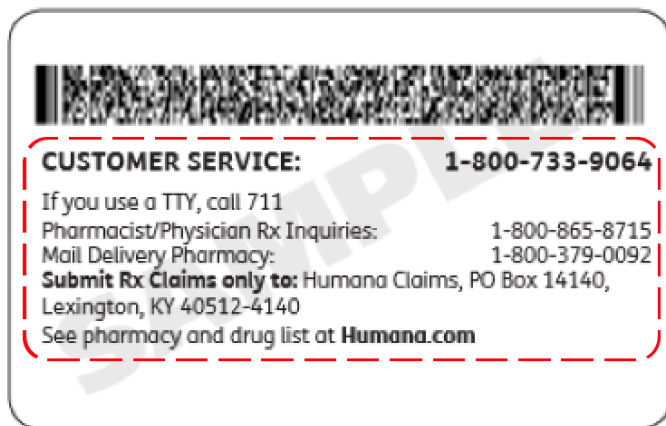

If you have any questions about any of this information, please do not hesitate to call

**Labor First Toll Free at 855.893.0560 (TTY 711).**

Sincerely,

Plumbers and Pipefitters Local No. 630 Welfare Fund Trustees

**When placing the sticker on your card, place it under the Bar Code:**
